

Port Report

OPPA in Salem

Five members of the Port of Cascade Locks team went to Salem on April 25th for Oregon Public Ports Day at the Capital. The team received a session update on legislation that could impact Ports across the state and also had very productive meetings with legislators and the Oregon Department of Aviation. A highlight was when Senator Thomsen invited Port General Manager Paul Koch to join him on the floor of the Senate where he was able to honor Paul for his years of great service to the Port and Cascade Locks and wish him well on a well-deserved retirement, later this year.

Wa Na Pa To Be Paved

ODOT will repave WaNaPa Street in the spring of 2020. This project was originally scheduled to be completed this fall, but circumstances required that the project be moved to spring of 2020. Once completed, Cascade Locks main street will have handicapped ramps, bulb outs, clearly marked parking spaces and all new pavement. A great addition to the downtown core.

Campground Season Opens

Although the Marine Park Campground is open year-round, the season traditionally opens on May 15th when the camp host is on site and reservations open. The Port is excited to welcome back last year's host; Casey Carter. Casey did a great job last year providing excellent customer service to campers. If anyone needs to make a reservation this summer, the phone number to call starting May 15th is 509-637-6911.

Angela Coe Rainy Day Run/Walk

This beloved community event is set to take place on May 4th, starting at 10am in the City Hall Gym. All proceeds benefit the Children's Cancer Association. Angela's father and event organizer, Jess Groves would like to add "This is a time that our family comes together to recognize Angela's life and honor her giving ways, especially when it came to kids activities. She truly loved her family and community. As a family we want to sincerely thank everyone who has joined us over the years, your participation has translated in to thousands of dollars donated to Children's cancer. Come and join us." For questions on this event, contact Angelacoerainydaywalkrun@gmail.com. Forecast indicates that the "rainy day" will be more of a partly sunny day!

ODOT's Fixes Potholes

ODOT patched the pot holes that were developing at the entry to Marine Park. This is great news because now gone are the huge holes making entry to Marine Park so difficult. Thanks ODOT for your help!

Action Team / Open House

The Port of Cascade Locks is hosting May’s Cascade Locks Action Team meeting in the newly “refreshed” Locktender House 3. The Port would like to invite the community to participate in this monthly meeting to discuss the exciting things happening in town. This meeting will also serve as an open house for the community to view the progress that has taken place in this reservable space. This next month’s meeting will be on May 16 at noon.

2019-20 Budget

The Ports budget committee will meet on May 7 at 6 pm in Cascade Locks City Hall. This is the first meeting of the Committee and will include the presentation of the Budget Message and the beginning of a review of the proposed budget. The Budget Committee prepares a recommended budget to be presented to the Port Commission in June. If you want an interesting meeting to attend, drop into the budget committee meeting and find out what is going on!

Museum Opens

The Cascade Locks Historical Museum will once again open their doors for the Spring and Summer season on May 1st. The Collection Committee has done a lot of work to organize and enhance the exhibits in the Museum. Also, tickets are now on sale for The Magical History Tour, an annual benefit for the museum. Be sure to pick up tickets early as they sold out last year!

Lock Robster Disc Golf Tournament

The 10th Annual Lock Robster Disc Golf Tournament is set to take place on Saturday, May 4th. Competitors will be slinging discs out at the course in the Business Park as well as at a temporary course set up on Thunder Island. This event is sponsored by the Port of Cascade Locks along with the Cascade Locks KOA.
