

Port of Cascade Locks  
Deputy Recruitment  
August 2018

## Position Announcement

---

The Port of Cascade Locks is seeking dynamic and energetic applicants for the position of Deputy General Manager. This is an exciting organization in the National Scenic Area focused on job creation, enhancing existing businesses and creating new businesses. The Port is the economic engine for the community and part of Hood River County.

Applicants must file a letter of interest, resume and fill out a Port application form by September 13, 2018. The Port Commission intends to have this position filled by early November, in time for the successful candidate to participate in the Ports annual goal and priority setting process.

The Port requires at least a Bachelor's Degree from an accredited college or university. Experience in economic development, Ports and related fields are highly desirable. Annual salary is negotiable between \$75,000 to \$90,000. Excellent fringe benefits are also available. This is one of the most exciting and meaningful jobs in the National Scenic Area.

The elected Port Commissioners are looking for a very experienced individual with strong people skills and the willingness to totally commit to the long term survival of the Cascade Locks community. The full elected Port Commission will participate in interviews and selection for this position.
