

Port Report

pFriem

The pFriem project in the Business Park is moving forward and on track for completion in January 2020. On August 28th, pFriem Family Brewers and the Port of Cascade Locks hosted a project kick off ceremony to welcome everyone to the future home of pFriem's barrel aging and sour program. Guests of honor included Senator Chuck Thomsen and Representative Anna Williams. The new 23,640 s.f. facility will provide improved distribution and new marketing opportunities for pFriem. The brewery already has a significant distribution footprint in Oregon and Washington, as well as B.C., San Diego and Las Vegas, and is the 3rd fastest growing regional beer producer in Oregon. Once complete, the facility will bring 15 new jobs to Cascade Locks and allow pFriem to triple the production of their barrel aged and sour beers.

Future site for Thunder Island Brewing Company

Thunder Island Brewing Co. Breaks Ground on Wa Na Pa

On Tuesday, August 20th, Thunder Island Brewing Company invited the community out to the future home of the brewery on Wa Na Pa Street in celebration of their groundbreaking. The event welcomed everyone with prizes, a raffle, virtual reality tours of the future brewery, as well as food and beer. Dave and Caroline Lipps, owners of Thunder Island Brewing Company addressed the crowd, thanking their partners in the project as well as their employees, all helping to make this next step possible. The new brewery is expected to be complete in 2020 with 10,000 s.f. of space. The new brewery will feature a 15-barrel system, a full restaurant, private event space, and broader views of the river, mountain range and Bridge of the Gods.

Montana Governor Visits CL

The Governor of Montana, Steve Bullock, stopped in Cascade Locks and toured the Cascade Locks Historical Museum with his Family earlier this month. It was exciting for staff to have distinctive guest among the many visitors that pass through the museum every year. As a reminder, the Magical History Tour, a fundraiser for the museum is set for Friday, October 4th and tickets are on sale now. Be sure to purchase tickets early as they sold out

pFriem Co-Founder, Josh pFriem

Port Supports Outdoor Learning

Port volunteers and employees met on August 26th developing a trail and open learning space near the school. This space will be used as an open-air classroom in the upcoming school year and will feature logs for students to sit on in an amphitheater-style seating.

Upcoming Bridge Closures

Bridge of the Goddess Run will be held on Saturday, September 14th, which means there will be a temporary bridge closure from 7:30am to 8:30am. Please plan your routes accordingly. Additionally, expect nighttime closures for bridge approach paving mid to late September. Specific dates will be announced shortly.

PCT Days

The 2019 PCT Days took place on August 16-18 and was a successful event. Approximately 5,500 attendees visited the park over the weekend. Event Sponsors had the best engagement with attendees ever, many of them guaranteed they will be back next year! Many factors contributed to the success of this year's event including perfect weather, better organized parking and a diverse range of presentations that attracted visitors to the event. In addition, PCT Days brings visitors to local businesses and reported being filled with customers all weekend. Also, funds were raised for multiple organizations; \$8,000 from the raffle, was donated to the PCTA and ALDHA-WEST as well as \$875 in cash and 330 lbs of food and personal care items for the FISH food bank. The organizers are looking forward to next year!

School Tennis Court

The Cascade Locks School's tennis court was recently refinished and fenced in and further improvements are planned, including enhanced parking. The School is looking to the community to organize a group of volunteers to help maintain and support the newly refurbished tennis court. If interested, please contact Brittany at bberge@portofcascadelocks.org
