Magical History Tour

The Friends of the Cascade Locks History Museum's annual fundraiser The Magical History Tour took place on October 5th, 2018. This fundraiser is sponsored by The Portland Spirit, Columbia Gorge Lions Club, the Eastwind Drive-In and the Port of Cascade Locks. Every year hosts a night of music, dancing, hors d'oeuvres, silent auction and much more fun to benefit the Cascade Locks Historical Museum housed in Port House #1. This year's event was sold out by early September and raised over \$14,000, surpassing the efforts of previous years. The Magical History Tour Fundraising Committee would like to thank all who have been supportive of our event for the past 5 years, and hope for another fun and successful event in 2019. Be sure to mark your calendars for early October next year and secure your tickets early. They will be sure to go fast!

Upcoming Port Work Session

The Port Commission will hold its annual Work Session on November 16-17 at Cooper Spur. The Commission conducts this session annually to review progress to date and to set the priorities for the next year's budget. Cooper Spur is in the Port District boundaries and this work session gives the Commission a chance to get away and think about the future. This session also gives the Commission an opportunity to meet with representatives from Mt. Hood Meadows to keep communications open and determine what the Port might be able to do to assist Meadows. The session begins at 4 pm and goes to 10 pm the first day. Meetings include Senator Thomsen and Rep. Helfrich. Following this work session, the Commission will take formal action on the 2019-2020 Budget priorities and then Port staff will begin creating the budget based on the policy direction of the Commission.
